COUNTY DELEGATION.

CONCORD, N. H., January 9, 1907.

In accordance to a notice given out from the Speaker, the Merrimack County delegation met in Room 5, of the state house, on the above date, for organization. The convention was called to order by Mr. Ahern of Concord. On motion of Mr. Hollis of Concord, Mr. George H. Rolfe of Ward 5, Concord, was elected chairman of the convention and assumed the chair. On motion of Mr. Ahern of Concord, Mr. George F. Garneau of Ward 2, Franklin, was elected clerk. Mr. Garneau appeared before Mr. Baker of Bow and qualified. On motion of Mr. Ahern of Concord, it was voted that a committee of five be appointed by the chair to confer with the county commissioners, in regard to appropriations required, and report at the next meeting. The chair appointed Ahern of Concord, Thompson of Pembroke, Folsom of Henniker, Fowler of Hill, and Rice of Hopkinton, as such committee. Voted to adjourn subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

North Boscawen, N. H., February 1, 1907.

Upon invitation of the county commissioners, the delegation visited the farm on the above date, with a large number of the delegation and county officers present. After a profitable visit over the buildings, finding everything in a most satisfactory condition, and reflecting great credit on the commissioners and Superintendent Milton, the delegation was called to order by the chairman in the chapel. Commissioner Britton was called upon, and gave a very concise report on the conditions at the institution, and what, in the commissioner's opinion was needed. He was followed by Dr. Drake of Franklin, the county physician, also Dr. Day of Ward 6, Concord, the chaplain, Rev. L. W. Phillips, of Franklin, County Solicitor Clifford, and others. It developed from the speakers that the county was in great need of a chapel and hospital.

Mr. Baker of Bow called for a statement from the commissioners as to the financial condition of the county, which was furnished by Commissioner Morse of Pembroke.

Mr. Ahern of Concord gave an interesting talk on his experience with the county affairs, and was followed by Folsom of Henniker, Raymond of Boscawen, and others.

Mr. Ahern, for the committee of five to confer with the commissioners, reported the following estimate:

Estimate of the expenses of Merrimack County for the years 1908 and 1909 each is herewith submitted.

	1908.	1909.
County farm,	$16,000.00	$16,000.00
Paupers off farm,	33,000.00	33,000.00

	$94,000.00	$94,000.00

Respectfully submitted,

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
County Commissioners.

Upon motion of Mr. Ahern of Concord, the commissioners were authorized to procure plans and estimates for a new chapel and hospital, and report at the next meeting of the delegation. So voted.

It was voted, on motion of Mr. Folsom of Henniker, that the delegation adjourn subject to call of the chairman.

A bountiful dinner was provided the delegation, county officials and invited guests, by Superintendent and Mrs. Milton.

GEORGE F. GARNEAU, *Clerk.*

CONCORD, N. H., February 27, 1907.

The delegation met at the probate room at the court house on above date. Meeting called to order by Chairman Rolfe, and roll-call by the clerk showed thirty-two of the delegation present. The chairman introduced Mayor C. R. Corning of Concord, who gave a most instructive and interesting talk as to the past and present relations between the county and the city of Concord, and more particularly as regards using the new court house as a voting place for Ward 4. According to the trade between the county and the city of Concord, the county agreed to furnish Ward 4 with a voting place in the building. Mayor Corning hoped that some arrangement could be made, whereby the county could, for a consideration, induce the city to give up the use of the court house as a voting place and suggested that a committee appointed by the chairman meet a like committee appointed by the mayor, and confer relative to this matter. Mr. Folsom of Henniker and others spoke on the subject at length. Upon motion of Mr. Folsom of Henniker, it was voted that a committee of five be appointed by the chair to confer with a like committee appointed by the Mayor, and report to the delegation at the next meeting, and that Mr. Baker of Bow be made a member of that committee and act as chairman. Mr. Folsom of Henniker moved that the delegation endorse the bill to increase the salary of the county solicitor. So voted.

Moved to adjourn by Mr. Ahern of Concord, subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

CONCORD, N. H., April 4, 1907.

The delegation was called to order by the chairman on above date in the Hall of Representatives. It was moved that the report of the Committee on Appropriations be accepted, and it was moved and voted that the sum of $94,000 be appropriated for the year 1908. It was moved and voted that the sum of $94,000 be appropriated for the year 1909.

Mr. Baker, chairman of the committee appointed at last meeting to confer with a like committee from the city, reported that they had had a joint meeting, and Mr. Baker, acting for the committee, offered the city $1,000 for all rights the city had in the court house as a voting place.

On motion of Mr. Folsom of Henniker, it was voted that the report of the committee be accepted and that Mr. Baker be authorized to make the offer to the city.

Mr. Fisher of Pittsfield moved, and it was so voted, that the county commissioners be authorized to expend a sum not to exceed $4,500 to erect a chapel at the county farm at North Boscawen.

Moved and voted to adjourn, subject to call of chairman.

GEORGE F. GARNEAU, *Clerk.*

REPORT

OF THE

COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1907.

COUNTY FARM.

The County Farm and House of Correction still continue in charge of Mr. and Mrs. W. H. Milton, as Superintendent and Matron, who have faithfully served the county in this capacity for nearly five years. Much credit should be given them for the satisfactory condition of affairs here at the present time. The buildings are all in good repair and the farm in a high state of cultivation. Besides the ordinary repairs, several permanent improvements have been made during the year, including the construction of a vegetable cellar and the changing of the heating system in the asylum building, which not only makes the building more comfortable for the inmates but

also insures a saving in fuel. The herd of cattle, mostly Holsteins, has been greatly improved during the year. At the last session of the legislature the Merrimack County Delegation voted to construct a new building to be used as a chapel. It is expected that work upon this building will be begun in the early spring. We would call your attention to the report of the Superintendent for an account of produce raised at the farm, as well as other statistics.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1907,		$20,284.07
Decrease in inventory,		242.96
		$20,527.03
Deduct from this amount the amount sold from farm,	$5,209.16	
Amount due from farm,	1,291.85	
		6,501.01
Balance against the farm,		$14,026.02
Number of weeks' board furnished inmates and prisoners during the year,		6,766
Average cost of support per week,		$2.07

COUNTY POOR AWAY FROM FARM.

To properly care for the poor and unfortunate is, and always has been, a subject that requires much time and study. It is always our desire to have each application for aid carefully investigated and disposed of as the cir-

cumstances seem to justify. We certainly do not intend to have any ward of the county suffer for the necessities of life. The expense of this department has been considerably less than last year. A part of this saving to the county is due to the fact that the state has assumed the expense of caring for many of the indigent insane at the State Hospital, who, prior to April 1, 1907, were supported by the county.

COURT HOUSE.

At the 1905 session of the legislature the County Delegation appropriated the sum of $45,000 for remodeling and refurnishing the County Court House. The work has been completed for the sum of $43,225.75, which has all been paid without the issuing of bonds or notes.

JAIL.

The County Jail continues under the efficient management of George A. S. Kimball, sheriff. It has been necessary to make some repairs upon the buildings during the year, also to construct a new sewer. The buildings are at present in good repair.

As will be seen by the financial statement, the finances of the county are in excellent condition. The county debt has been reduced during the year $9,652.65. During the past three years there has been a total reduction of $31,621.39.

In presenting this, our third annual report, we take the opportunity to extend our thanks to all the various socie-

ties, officers and individuals who, by word or deed, have assisted us in our work.

Respectfully submitted,

CHARLES P. MORSE,
ARTHUR H. BRITTON,

Respectfully submitted,

PHILIP C. CLOUGH,
County Treasurer.

December 31, 1907.

We have examined the foregoing accounts of Philip C. Clough, county treasurer, and find them correctly cast and properly vouched.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
County Commissioners.

AUDITORS' REPORT.

We hereby certify that we have audited quarterly the accounts of the county commissioners, county treasurer and superintendent of the county farm, from January 1, 1907, to January 1, 1908, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices, and have been used for county purposes.

W. J. AHERN,
F. A. HOLMES,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1908, to the best of our knowledge and belief does not exceed five hundred dollars, aside from the amount due cities and towns for support of paupers away from the farm, for the support of dependent soldiers and sailors and their families, and for salaries of county officers for last quarter.

CHARLES P. MORSE,
ARTHUR H. BRITTON,
JOHN F. JEWELL,
Commissioners of Merrimack County.

MERRIMACK, SS., January 14, 1908.

Personally appeared before me Charles P. Morse, Arthur H. Britton and John F. Jewell, and made oath that the above statement is true.

Before me,

FRED H. GOULD,

Justice of the Peace.

SOLICITOR'S REPORT.

To the County Commissioners for the County of Merrimack:

GENTLEMEN,—The report of the office of county solicitor for the year ending December 31, 1907, is herewith submitted.

The grand jury at the April term, returned thirty-three indictments, as follows:

Adultery,	4
Attempt to break and enter,	1
Bigamy,	1
Burglary,	2
Larceny,	4
Obstructing railroad track,	1
Obtaining money by false pretenses,	2
Perjury,	1
Rape,	1
Tramp,	1
Violation of liquor laws by non-licensees,	6
Wilful taking of horse,	2
Wilful taking of wagon,	1

The grand jury at the October term, returned thirty-eight indictments, as follows:

Adultery,	4
Arson,	2
Aggravated assault,	1
Assault with intent to murder,	1

Assault with intent to rob,	1
Breaking and entering,	5
Carrying concealed weapon,	1
Concealing death of bastard,	1
Embezzlement,	1
Keeping house of ill-fame,	2
Larceny,	1
Larceny from the person,	1
Manslaughter, second degree,	1
Receiving stolen goods,	1
Sodomy,	1
Violation of liquor laws by non-licensees,	14

Information has been filed by the solicitor in two cases for violation of the liquor laws, and injunctions granted.

There have been the usual number of appeal cases from the police courts and justices of the peace.

Nine cases have been tried by the jury, which resulted as follows:

Acquittals,	5
Convictions,	4

During the year eight persons have been committed to the state prison.

Eleven have been sentenced and committed to either the jail or house of correction.

One has been sentenced and committed to the industrial school.

Two respondents have been committed to the state hospital for observation, to determine the question of insanity.

Joseph Hobart, who was indicted for burglary, was sentenced to the state prison for not less than twelve years or

more than fifteen years, this being the longest term imposed.

The remaining cases have been disposed of by payment of fines, sentences suspended during good behavior, nol prossed or continued for cause, as the circumstances in each seemed to require.

The practice before the police courts and justices of the peace, in allowing state witnesses to give personal recognizance, when they have no property or family ties to assure their presence in court, has resulted in two liquor cases being nol prossed.

If such witnesses were required to furnish bail of a substantial nature, the ends of justice would be met, and no hardship would be imposed upon the witnesses.

In order that criminal cases coming before the grand jury may have proper investigation, I would suggest, that copies of complaint, lists of witnesses and their post-office addresses, be forwarded to the solicitor immediately after the preliminary hearing, instead of being filed with him only a few days before court sits, as is now the practice.

The county has been fortunate in escaping a trial for murder, the assailant having taken the law into his own hands without resorting to the courts.

To those who have rendered assistance to the solicitor's department, I desire to express my appreciation.

Respectfully submitted,

THOMAS F. CLIFFORD,
County Solicitor.

NOTE.—In the report for 1906, page 450, line 17 should read, "Guilty, 6" instead of "Not Guilty, 6."

GENTLEMEN,—In submitting my fifth annual report as chaplain of the county farm, I wish to thank you for the courtesy you have always extended to me and to gratefully acknowledge the interest shown in my work there and the assistance which has been given me by the superintendent, matron and officers of the farm.

I have conducted twenty-one Sabbath services, fourteen funeral services and visited the inmates as occasion has permitted or necessity required. I have tried to make my personal visits an encouragement and the religious services a comfort to the inmates.
